Education

Dhirubhai Ambani University

CPI: 8.71

2023 - Present

Gandhinagar, Gujarat

12th: Om Shanti English Medium School(OSEM) (GHSEB)

Percentage: 77.38

2022 - 2023

Morbi, Gujarat

10th: Om Shanti English Medium School(OSEM) (GSEB)

Percentage: 92.33

2020 - 2021

Morbi, Gujarat

Experience

Jeevantirth

NGO Field Volunteer

4-Dec-2024 – 31-Dec-2024

Gandhinagar, Gujarat

- Collaborated with NGO field workers to understand their operational model in supporting education for slum-dwelling students, gaining first-hand exposure through on-ground engagement.
- Conducted field observations, prepared structured reports analyzing educational and social challenges in slum areas, and contributed to planning and implementing student assistance programs.

Projects

Database Management System for online streaming platform | *Dia, PostgreSQL*

- Designed and implemented a normalized relational database using PostgreSQL to manage the user details, subscription details, content demographics.
- Created and tested multiple SQL queries and stored procedures for data manipulation and retrieval.

Polar Codes Encoding and Decoding Simulation | *Matlab*

- Implemented the encoding of Polar codes for simulating error correction performance over an AWGN (Additive White Gaussian Noise) channel.
- Developed Successive Cancellation (SC) and Successive Cancellation List (SCL) decoding algorithms to accurately retrieve transmitted data.
- Analyzed and compared the block error rate (BLER) performance of SC and SCL decoders under varying noise levels.

InshightStox portfolio Tracker | *Node.js, express.js, MongoDB, PostgreSQL*

- Worked as a backend developer for a Portfolio Tracker project with a team of batch mates.
- Developed Backend for portfolio Summary and dashboard portfolio Calculations and real time data fetching from yahoo-Finance. Also developed google login and registration backend with mailing.

Technical Skills

Languages: C, C++, PostgreSQL, java script, python

Developer Tools: Git, VS Code, Linux Shell, Node js, express js

Cloud/Databases: PostgreSQL, MongoDB

Soft Skills: Team Collaboration, Leadership, Problem Solving, Communication, Time Management

Coursework: Data Structures and Algorithms, Machine Learning, DBMS, Optimization, Computer System Design

Areas of Interest: System Design, Competitive Programming, AI/ML, Cloud Computing

Achievements

- I have been selected out of **80,000 students from India** as a mentee for graphs camp by Codeforces Master and learned 17+ advanced problem solving techniques in graphs. Solved 3 super hard problems on the topic shortest paths and got featured in the Hall of Fame.
- Codeforces max rating 1482(specialist)
- LeetCode contest rating of 1588.
